Mammoth Bar open house May 12

Comments Sought on OHV Grant

AUBURN -- The California Department of Parks and Recreation will hold an open house on Wednesday May 12th in Auburn to solicit public comment on a grant application for ongoing law enforcement, conservation, restoration and operation/maintenance activities at the Mammoth Bar off-highway vehicle area in the Auburn State Recreation Area.

The grant proposal is similar to prior year grants, with no major program changes or proposals. The proposed grant application of about \$375,000 would cover the cost of law enforcement, conservation, restoration and operating/maintenance of the off-highway vehicle area of Mammoth Bar during the upcoming federal fiscal year.

The meeting will be held from 5 p.m. to 7 p.m. at the Auburn State Recreation Area Office at 501 El Dorado St. in Auburn. Copies of the grant will be available at the meeting.

Supervising Ranger M.G. "Mike" Lynch will be available to answer questions. Public comments also may be submitted in writing, either at the meeting or by mailing them to Mammoth Bar O&M Grant, 501 El Dorado Street, Auburn, CA 95603-4949.

Copies of the grant application will be available to the public beginning on May 12th, at the Auburn State Recreation Area office, 501 El Dorado St., Auburn, or by calling 530-885-4527 to receive a copy by mail.

The grant application is submitted to State Park's Off-Highway Motor Vehicle Recreation Division annually.
